

## RESOLUTION No 4.

*Dated Bangalore, the 11th September 1911.*

The project provides for a system of underground sewers with house connections adapted to Indian conditions superseding the combined scheme of surface drains and underground sewers which was being carried out till recently. No provision is made in the scheme for sub-soil drains nor for *all* the storm water drains needed within the City. The estimated cost of the complete scheme is Rs. 15,41,099, out of which Rs. 9,34,342 is proposed to be spent within the next five years. The works to be executed during the period are (1) the laying of sewers along main roads and thoroughfares in Nos. I, II and part I of No. III Drainage areas, in Nazarbad and in Ittigegud; (2) complete drainage as per scheme in part II of No. III and in No. IV Drainage areas; (3) improvements to the existing sewers in the Fort; (4) extension of outfall sewer; (5) linking up outfalls and (6) provision of storm water drains. The amount is exclusive of compensation for houses and land and establishment charges, which are estimated at Rs. 5,25,574 for the five years.

The Board are agreed that the project is sound and resolve that it be approved generally.

P. S. ACHYUTA RAO,

*Officiating President, Central Sanitary Board.*
